

## EUPAVE Newsletter - March 2017

### Call for abstracts - 13th INTERNATIONAL SYMPOSIUM ON CONCRETE ROADS

**The final date for submitting abstracts: 30 April 2017**

#### "Concrete connects"

19-22 June 2018  
Berlin, Germany

The German "InformationsZentrum Beton", together with EUPAVE and their partners are in full preparation of the 13ISCR and they are pleased to invite you to take part in this promising Symposium.

You can find the [SAVE THE DATE](#) here and the Symposium website will soon be available.

Anyone interested is invited to submit an abstract - around 300 words, written in English - related to the themes listed below. You just have to fill in the "abstract submission form" and return it to [info@eupave.eu](mailto:info@eupave.eu) by 30 April 2017 at the latest.

Themes:

- Theme 1: High axle-load areas
- Theme 2: Highways and truck parking areas
- Theme 3: Urban and rural roads, intersections and roundabouts
- Theme 4: Materials – Concrete for various applications
- Theme 5: Precast systems
- Theme 6: Maintenance strategies, assessment of structural capacity of concrete pavements
- Theme 7: Surface characteristics and modern methods of execution
- Theme 8: General reports on application of concrete pavements
- Theme 9: Quality control and testing
- Theme 10: Big Data – concepts to optimize the use of entire infrastructure networks

**DOWNLOAD HERE THE ABSTRACT SUBMISSION FORM  
(in PDF and Word format)**

We are looking forward to receiving your abstract and to meeting you in Berlin in June 2018!

---
