

Re-recycling of the concrete pavement of motorway A1 in Austria

Thursday 2 July 2026

15:30 – 16:30 (Brussels time)

Join our upcoming webinar featuring Stefan Spalt (ASFINAG Austria), **winner of the 2025 EUPAVE Outstanding Project Award.**

The award-winning project, “Re-recycling of the concrete pavement of motorway A1 in Austria”, is the first-ever example of re-recycling a concrete motorway into a new concrete pavement at large scale. Recognised for its pioneering approach to circularity and resource efficiency, the project sets a new benchmark for sustainable road infrastructure in Europe.

In this webinar, Stefan Spalt will present the project’s innovative methodology, key achievements, and lessons learned.
