

Worksite visit E420 – N5 COUVIN

CONSTRUCTION OF THE BY-PASS ROAD OF COUVIN IN TWO-LAYERED CONTINUOUSLY REINFORCED CONCRETE

Friday 9 November 2018

WORDS OF WELCOME

Luc Rens, EUPAVE/FEBELCEM

Didier Masset, SPW

WORDS OF WELCOME

Created at the end of 2007 the European Concrete Paving Association has for mission to...

Advocate and enable wider use of cement and concrete applications in European transport infrastructure by engaging with EU, national and local decision makers, by disseminating technical know-how and communicating benefits and by promoting innovation and best practices in the sector

WORDS OF WELCOME

Today EUPAVE has **12 Full Members, 12 Associate Members** and **16 Partners** including cement companies, national and international associations, manufacturers, contractors,...

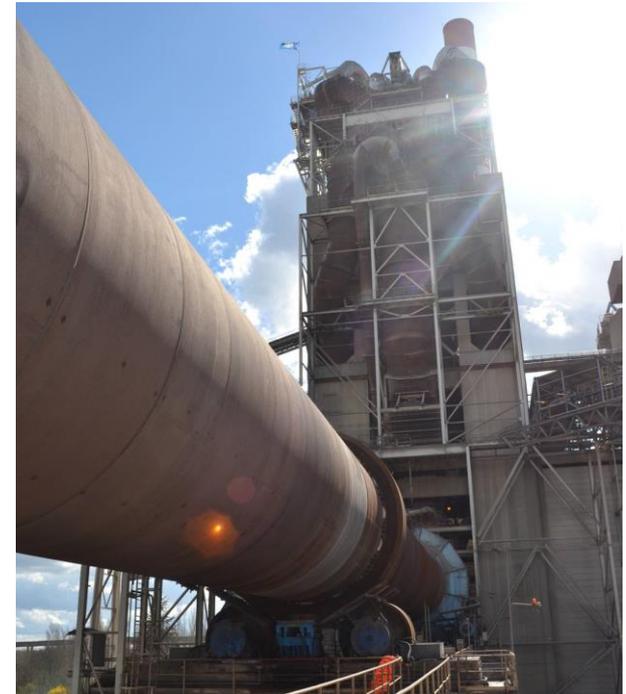

For more information about the Association, you can find **Membership and Partnership information** at the entrance or contact info@eupave.eu

WORDS OF WELCOME

Created in 1949 and named FEBELCEM in 1994, the Federation of the Belgian Cement Industry has for mission to...

- Represent its members to the national employers' bodies,
- Act as the spokesperson of the Belgian cement industry,
- Promote the use of cement by informing and training cement users.

WORDS OF WELCOME

Created in 2000 the Belgian Road Association (ABR-BWV) has for mission to...

- Unite the various actors involved in the construction, management and operation of road infrastructure in Belgium.
- Be an exchange and promotion forum for the road branch, by encouraging reflection on a vision of the future based on sustainable development.

WORDS OF WELCOME

Created in 1980 the Belgian Concrete Association (GBB-BBG) has for mission to...

- Bring together all of those who are interested in concrete applications in construction,
- Share and disseminate the experience and knowledge of concrete.

André Nullens
